Rebar news

Turkish steelmakers quiet in deep-sea markets; mills focus on steel sales

By Cem Turken - Tuesday 09 January

The Turkish steelmakers went quiet in the deep-sea steel scrap import markets after booking several cargo deals for February shipment at firm prices, sources told Fastmarkets on Tuesday January 9.

The mills booked at least four deep-sea cargoes between Friday January 5 and Monday January 8.

A steel mill in the Izmir region booked a European cargo comprising heavy melting scrap 1&2 (80:20) at \$418 per tonne and shredded and bonus at \$438 per tonne CFR, and a UK cargo consisting of 20,000 tonnes of shredded and 20,000 tonnes of bonus, at an average price of \$439 per tonne CFR.

Another steel mill in the same region booked a US cargo comprising HMS 1&2 (80:20) at \$421 per tonne and shredded and bonus at \$441 per tonne CFR, while a steel mill in the Marmara region booked a Baltic Sea cargo consisting of HMS 1&2 (80:20) at \$425 per tonne and bonus at \$445 per tonne CFR.

The Turkish long steel markets have been improving since last week, after the country's decision to impose a temporary safeguard duty of \$175 per tonne on wire rod imports.

The mills are now focusing on finished steel sales before booking more scrap for February, sources told Fastmarkets.

A Marmara mill was heard offering rebar to the local market at \$625-630 per tonne (22,410-22,590 lira per tonne, including 20% VAT) ex-works, while three other mills in the same region were offering \$635 per tonne.

Two steel mills in the Izmir region were offering rebar for local clients at \$615 per tonne and \$620 per tonne ex-works.

Fastmarkets' weekly price assessment for **steel reinforcing bar (rebar) domestic, exw Turkey** was 21,600-22,500 lira per tonne on Thursday January 4, up from 20,900-21,600 lira per tonne a week before, including 20% VAT.

The mills in Turkey were also trying to increase their export sales over the past week, but demand in the major export outlets was still sluggish, sources said.

A steel mill in the Izmir region sold 15,000 tonnes of rebar to Jamaica at \$600 per tonne FOB on an actual weight basis, while some more sales to Bulgaria and Romania were concluded at \$605 per tonne FOB.

Fastmarkets' weekly price assessment for **steel reinforcing bar (rebar) export, fob main port Turkey** was unchanged week on week at \$600-610 per tonne on January 4.

The deep-sea scrap import market was mostly quiet on Tuesday on lack of fresh trading activity.

Fastmarkets' daily index for **steel scrap HMS 1&2 (80:20 mix) North Europe origin, cfr Turkey** was calculated at \$416.18 per tonne on Tuesday, flat day on day.

And Fastmarkets' daily index for **steel scrap HMS 1&2 (80:20 mix) US origin, cfr Turkey** was calculated at \$423.20 per tonne on January 9, also stable day
