steelmaking raw materials contributed to the recent rally in steel futures prices, market participants said.

Cold-rolled coil

Fastmarkets' weekly price assessment for **steel CRC, export, fob China main port**, was \$660-665 per tonne on Tuesday, up by \$5-10 per tonne from **\$650-660 per tonne a week earlier**.

The latest assessment is \$662.50 per tonne at the midpoint, which is a high not seen in nearly eight months.

Chinese mills offered CRC exports at \$660-680 per tonne FOB China for February shipment on Monday-Tuesday, up from \$650-675 per tonne FOB a week earlier.

Traders and mills continued to report poor trading for CRC exports over the past week, with the higher offers keeping some buyers on the sidelines.

Fastmarkets' weekly price assessment for **steel CRC, domestic, ex-whs Eastern China**, was 4,760-4,810 yuan per tonne on December 8, up by 10-20 yuan per tonne from 4,750-4,790 yuan per tonne a week earlier.

Hot-dipped galvanized coil

Fastmarkets' weekly price assessment for **steel galvanized coil, 1mm, export, fob main port China**, was \$700-735 per tonne on Tuesday, up by \$10 per tonne from \$690-725 per tonne a week earlier.

Fastmarkets' assessment is for HDG with zero-spangle zinc coating of 120gsm. The latest assessment is \$717.50 per tonne at the midpoint, which is the highest level in more than four months.

Chinese mills offered HDG at around \$668 per tonne FOB China for zero-spangle Z40-coating materials, \$686-720 per tonne FOB for Z80 materials and \$795 per tonne FOB for Z140 materials.

The latest offers are equivalent to \$700-790 per tonne FOB China for zero-spangle Z120-coating cargoes, up from \$690-785 per tonne FOB a week earlier, according to market participants' estimates.

Fastmarkets' weekly price assessment for **steel hot-dipped galvanized coil, domestic, ex-whs Eastern China**, which considers 80gsm zinc-coated zero-spangle HDG, was 5,110-5,160 yuan per tonne on December 8, up by 10 yuan per tonne from 5,100-5,150 yuan per tonne a week earlier.

Rebar news

Turkish steel mills take a breath following busy week of scrap bookings

By Ross Yeo - Tuesday 12 December

The Turkish steel scrap import market went quiet on Tuesday December 12 with stable prices day on day.

Following the frenzy of deals concluded at the end of last week, mills were taking a step back and could remain quiet for some time, sources told Fastmarkets.

Fastmarkets' daily index for [steel scrap HMS 1&2 \(80:20 mix\) North Europe origin, cfr Turkey](#) was calculated at \$419.82 per tonne on Tuesday, unchanged since December 8.

And Fastmarkets' daily index for [steel scrap HMS 1&2 \(80:20 mix\) US origin, cfr Turkey](#) was calculated at \$425.86 per tonne on Tuesday, also unchanged since December 8. The premium for US scrap over European material therefore remained at \$6.04 per tonne.

Steel mills in Turkey are caught between sluggish steel demand and rising scrap prices, and margins are becoming squeezed.

A mill source said that rebar buyers had largely accepted recent price increases, which were dictated by scrap cost increases, but that acceptance of further price rises could not be taken for granted.

Gerdau, Nucor increase US rebar prices

By Melissa VanDervort - Tuesday 12 December

At least two rebar mills are pushing for higher US prices, Fastmarkets learned from customer letters.

Gerdau increased the price of rebar by \$2.50 per hundredweight (\$50 per short ton) on Monday December 11, following a near-identical Nucor rebar price hike on December 8. All orders confirmed by December 8 with a shipping date by December 22 will be price protected in both cases, according to the customer letters.

Fastmarkets [last assessed](#) the price of [steel reinforcing bar \(rebar\), fob mill US](#) at \$41 per cwt (\$820 per short ton) on December 6, unchanged from the previous week.

In addition, the assessment of [steel reinforcing bar \(rebar\), import, loaded truck Port of Houston for immediate delivery](#) was \$740-780 per ton (\$37-39 per cwt) on December 6, widening upward from \$740-770 per ton in the previous week.
