a week earlier.

Overseas buyers, meanwhile, kept their bids at \$545 per tonne CFR Vietnam, which were flat from the levels heard before the SHFE HRC price retreated this week.

The bid level is equivalent to around \$533 per tonne FOB China, which is still too low to be workable for transactions, according to traders.

Market chatter

“Stimulus hopes are likely to resurface and push steel futures prices higher in the near term, but seasonally slowing demand and high supply will also weigh on the prices,” an industry analyst in eastern China said.

Shanghai Futures Exchange

The most-traded January HRC futures contract closed at 3,951 yuan per tonne on Tuesday, down by 11 yuan per tonne from **Monday's close of 3,962 yuan per tonne**.

Rebar news

Rebar, billet prices stable in the UAE, demand moderate

By Serife Durmus - Tuesday 14 November

Steel rebar and billet prices in the United Arab Emirates remained unchanged in the week to Tuesday, November 14, mainly due to only moderate demand in the region, sources told Fastmarkets.

Some market participants said buyers were expecting prices to increase but no changes have been made in the past seven days, Fastmarkets understands.

Prices for December production are expected to be announced soon, sources said.

Domestic rebar

Emirates Steel Arkan has again rolled over its price for rebar orders to be produced in November.

The company is offering rebar at 2,523 dirhams per tonne (\$687) cpt Abu Dhabi and 2,531 dirhams per tonne (\$689) cpt Dubai and Northern Emirates.

Deals were done at about 2,430-2,435 dirhams per tonne ex-works last week by Emirates Steel Arkan, sources said, but buyers of larger quantities achieved higher discounts in the week to Tuesday, Fastmarkets understands.

Re-rollers in the UAE, meanwhile, sold rebar at 2,230-2,250 dirhams per tonne delivered.

Fastmarkets' weekly price assessment for steel reinforcing bar (rebar), domestic, exw UAE was 2,230-2,435 dirhams per tonne on November 14, unchanged week on week.

small range for the rest of this week.

Market chatter

“Some trade houses bought rebar in late October and they can get a profit around 100 yuan per tonne from these cargoes. They are not urgent to sell these cargoes because they think high production cost will support rebar prices,” the second trader in Shanghai said.

Fastmarkets calculated its **iron ore 62% Fe fines, cfr Qingdao** at \$129.39 per tonne on November 10, up by \$6.37 per tonne from \$123.02 per tonne on October 31.

Billet

Fastmarkets' daily price assessment for **steel billet domestic, exw Tangshan, Northern China** was 3,630 yuan per tonne including value-added tax on Tuesday, the same as Monday.

Shanghai Futures Exchange

The most-traded January rebar futures contract closed at 3,856 yuan per tonne on Tuesday, down by 16 yuan per tonne from 3,872 yuan per tonne on Monday.
