\$558-565 per tonne FOB China on Tuesday.

Larger mill offers also steadied at \$580-600 per tonne FOB China for 3 mm SS400 HRC, with market participant estimates of the best offers from the large mills unchanged at \$580-585 per tonne FOB.

Large mills continued to report poor export trading so far this week, but were said to be unwilling to cut their offers to attract orders because they are already on the verge of losses.

Market chatter

"Prices for steelmaking raw materials - iron ore, coal, scrap - have fallen from their recent highs, pointing to weakening cost support for finished steel prices. But mills are still showing an interest in buying cheap raw materials and lower-priced finished steel prices are also welcome, which indicates limited downward room in finished steel prices," an industry analyst in eastern China said.

Shanghai Futures Exchange

The most-traded May HRC futures contract closed at 4,029 yuan per tonne on Tuesday, up by 12 yuan per tonne from Monday's close at 4,017 yuan per tonne.

Rebar news

Taiwan scrap buying slow ahead of traditional new year; rebar market quiet

By Tianran Zhao - Tuesday 16 January

Spot prices for steel scrap imported into Taiwan remained stable on Tuesday January 16., with steel mills continuing to buy at a slow pace ahead of the traditional new year in February, sources told Fastmarkets.

One major electric-arc furnace steelmaker in Taiwan kept its rebar selling price unchanged at NT\$19,100 (\$616) per tonne and left its domestic heavy

melting scrap (HMS) 1&2 (80:20) buying price at NT\$11,800 per tonne for another week, Fastmarkets understands.

"The rebar market in Taiwan has gone quiet again," a Taiwanese mill source told Fastmarkets. "Local scrap prices held steady because the [scrap] prices in the import market have hardly changed in recent days."

US-origin containerized HMS 1&2 (80:20) was on offer at \$380-390 per tonne CFR Taiwan on Tuesday, with bids heard at \$375-380 per tonne CFR, sources said.

Recent transactions for the same material was concluded at \$375-380 per tonne CFR Taiwan, they added.

Fastmarkets' twice-weekly price assessment for containerized [steel scrap](#)
