on Tuesday, with market sentiment receiving a boost from resurfaced expectations for stimulus measures, market participants said.

Bloomberg News reported on Tuesday that Chinese authorities are considering a package of measures worth 2 trillion yuan (\$278 billion) to stabilize the country's stock markets.

Recent comments from Beijing also cemented market expectations for strong stimulus measures, with Chinese Premier Li Qiang calling for taking "stronger, more effective measures to stabilize the market and improve market confidence" at a recently chaired meeting of the country's cabinet.

The Chinese Shanghai Composite stock market index advanced by 0.53% on Tuesday after touching a new low not seen since March 2020 at 2,724.16 earlier in the day.

Spot HRC trading in the domestic market improved from the previous day on Tuesday, traders told Fastmarkets.

Export

Fastmarkets calculated its [steel hot-rolled coil index export, fob main port China](#) at \$560 per tonne on Tuesday, down by \$2.5 per tonne from \$562.5 per tonne on Monday.

Chinese HRC export prices extended their decline on Tuesday, with trading remaining subdued amid the wide spread between mainstream offers and bids.

Small mills' offers for 3mm SS400 HRC fell to around \$560 per tonne FOB China on Tuesday, compared with \$560-565 per tonne FOB on Monday and late last week.

Overseas buyers, meanwhile, were bidding at below \$550 per tonne FOB China for 3mm SS400 HRC.

Deals were heard done at \$560-565 per tonne CFR Vietnam over the recent week, with freight rates from China to Vietnam standing at around \$11 per tonne, according to traders.

Large mills offered at \$580-600 per tonne FOB China for 3mm SS400 HRC on Tuesday, unchanged from a week earlier.

Despite muted export trading, some large mills refrained from lowering their offers given their poor margins.

Market chatter

"We see limited downward room in SHFE HRC prices in the near term given stimulus hopes. The seasonal demand lull is weighing on [steel] prices, but the persistent stimulus expectations have increased likelihood for more gains in prices," a trader in northern China said.

Shanghai Futures Exchange

The most-traded May HRC futures contract closed at 4,049 yuan per tonne on Tuesday, up by 20 yuan per tonne from [Monday's close](#) of 4,029 yuan per tonne.
