Cold-rolled coil news

US steel imports rebound from 2024 low in July; CR imports jump nearly 60% m-o-m: Census

By Alesha Alkaff - Wednesday 28 August

Steel imports in the US increased in July after falling to the lowest level of 2024 in June, according to preliminary figures from the US International Trade Administration's steel import monitoring system released on Tuesday August 27.

The US imported 2.20 million tonnes of steel in July, up by 12.36% from 1.95 million tonnes in June and higher by 2.02% from 2.15 million tonnes in July 2023, the data collected through August 25 showed.

Imports of heavy structural shapes and cold-rolled sheet were among the products tracked by Fastmarkets that logged a significant increase from the previous month.

In July, the US imported 107,292 tonnes of heavy structural shapes, more than double from the 53,517 tonnes imported in June, the data showed.

The top three importers of heavy structural shapes into the US in July were Spain, Germany and Luxembourg. The trio exported 29,290 tonnes, 13,357 tonnes and 12,839 tonnes of heavy structural shapes to the US respectively.

Meanwhile, cold-rolled sheet imports stood at 140,131 tonnes in July, a significant increase of 59.07% from June, when 88,096 tonnes of material were imported into the US.

The top three importers of cold-rolled sheet into the US in July were Canada, Mexico and Australia. The trio exported 47,922 tonnes, 13,456 tonnes and 12,239 tonnes of cold-rolled sheet to the US respectively.

The increase in cold-rolled sheet imports into the US could have been led by lower prices in July.

Fastmarkets' fortnightly assessment for [steel cold-rolled coil, import, ddp Houston](#) averaged at \$860-910 per short ton (\$43.00-45.50 per hundredweight) in July, down by 4.58% from the \$900-955 per ton average in June.

Most recently, Fastmarkets' assessment for CRC import stood at \$830-880 per ton on Wednesday August 14.

The declining prices of imported steel are increasing the attractiveness of the foreign material market, [sources told Fastmarkets in August](#).
